TERM 2 WEEK 6

7 JUNE 2013

From the Principal

DANGER!

Dear parents / carers

We still have a few people who continue to drop their children off at school using the staff/visitors car park via the High Street entrance. Please note, it is not safe to do so. There is a constant stream of delivery vehicles and staff vehicles using the High Street entrance car park, and children are at risk of injury when they are dropped off in this area. We have made many requests in the past for parents and carers to drop their children off using the Milton Street entrance at the rear of the school. Can I reinforce this message today, and ask all of our parents and carers to observe the sign at the front of the school. Our children are precious, let's look after them.

Aboriginal Community Support Officer

We are very excited by the appointment of an Aboriginal Community Support Officer at the school. Bronwyn King has been appointed to the role and she will be looking to work alongside members of our school community, including parents, Elders and members of the Aboriginal Education Consultative Group (AECG) to further develop the way the school and the community work together. Bronwyn will be starting work on Wednesday next week, please look out for her in the school and in the community.

Basketball

Lismore Heights Girls Basketball Knockout team almost caused a big upset in the Girls Knockout Competition by nearly defeating strong contenders Alstonville on Friday 31st May. The game started with Lismore girls not really sure of themselves because only one player, Makayla Greensill, regularly played Basketball. During the first two quarters Alstonville dominated the game but they underestimated the determination and team spirit of Lismore Heights girls.

Outstanding defence by Jessica Wilson, Erin Millar and Renae Shepherd closed down Alstonville's scoring opportunities. Alisha Herington and Makayla Greensill were amazing under the baskets and suddenly were able to find the basket often and scored many points quickly. Team work by Katarina Wellings, Shy-Ann Barwick and Bonnie Bellamy helped the Lismore Heights' Girls be in front with 10 seconds to the final bell. Alstonville threw a last hope shot and drew the game with half a second to go.

The girls had to play an extra 5 minutes to decide the winner. Alstonville regrouped and eventually won 30 to 24 points. After the game the coaches and officials

congratulated the girls on their standard of play and were amazed when told of the girls level of experience.

The second game saw the Lismore Heights girls clear winners over Lismore Public School.

In summary, awesome girls, awesome spirit, awesome day.

A big thank you to parents who helped transport the girls and stayed to cheer the girls on. I know everyone appreciated their presence.
