TERM 3 WEEK 10 20 SEPTEMBER 2013

## From the Principal

### Bim Bam Percussion

In Term 2 our Stage 2 students took part in a 'Bim Bom Percussion' performance in association with the Northern Rivers Conservatorium. On Saturday 2<sup>nd</sup> November the Conservatorium will be hosting an Open Day at the Conservatorium (corner of Keen and Magellan Streets, Lismore) and our Stage 2 students have been invited to take part in the Open Day by delivering another wonderful performance. The Open Day starts 11.00am and students are asked to arrive by 10.30am. Notes will be sent home at the start of next term with more details, but put the date (2<sup>nd</sup> November) in your diary.

### Curtain Call Show

Congratulations to our fabulous performers who sang and danced at the Star Court Theatre this week as part of the Curtain Call Show. Lismore Heights students yet again turned in a series of outstanding performances which they should feel very proud of. Thank you to those wonderful parents and carers who took the time to come along and offer their support for the children.

### Lismore Square Kinder Promotion

Lismore Heights Public School put on a great promotional display at the Lismore Square last week. Thank you to those parents (Sally, Stacey, Tony and Elizabeth) who took time out of their days to staff the stall alongside our teachers.

### SES success

Well done to Abbey Painter in Kindergarten who won the prize for best colouring-in during our SES day. Abbey was presented with a certificate and a book for her wonderful artwork. Well done.

### Life Education Van

Unfortunately, we have not been able to complete our Life Education Program this term as the 'Healthy Harold Teacher' has been unwell. We will be completing the program in Term 4, so if your child has missed out so far, we will be catching up on those missed lessons.

### Aboriginal Artwork in School

Several months ago I mentioned in a newsletter that we were updating some of our Aboriginal Artwork around the school. Two of the painted boards on the outside of school buildings have now been removed and the artist is presently working on these. A wall near to the Kindergarten classes is also scheduled to be painted soon, and the artist is intending to work with children in this area. We hope to have all of the artwork completed in time for our Christmas Carols evening on 5<sup>th</sup> December.

### Holidays

At 3.10pm today we start our Spring Holiday. I hope that the sun keeps shining and that the children have a lovely break and come back to school well rested and ready for a great final term. School resumes 9.10am on Tuesday 8<sup>th</sup> October.
