TERM 4 WEEK 1 10 OCTOBER 2014

LHPS has a Facebook page!!!

Type 'Lismore Heights Public School' into FB to visit our page.

Welcome back to school for term 4. We hope everyone had a restful break. This term promises to be very exciting and full of great learning opportunities for our students. Our stage 3 students have been in Sydney this week - check out our facebook page for photos.

Kindergarten Promotion Day

Lismore Square have kindly granted us permission to promote our Kindergarten Orientation Program at the Square on Thursday 16 October. We need volunteers to work in 2 hour shifts to hand out leaflets and tell people how lovely our school is. We will be positioned at the bottom of the travelator at the Square from 7.30am-5.30pm. If you can spare a couple of hours, please let the office staff know. Even though we have many families at our school, we do not have lots of volunteers. Please give what time you can - we need your support.

Intensive Swimming

A 10 day swimming program is being held at Lismore Memorial Baths from Monday 20 October until Friday 31 October for 45 minutes each day. The scheme is an intensive learn to swim program of water safety and survival. All students in Years 2 & 3 and 3/6P are expected to attend. Year 4-6 students who cannot swim 50m confidently are also invited to attend. The cost for the bus for the 10 days is \$19 and pool entry is \$41. Notes have been sent home or more are available at the office if required.

Playground Cola

The cover over our infants playground has finally been installed over the holidays. This is a great facility that will allow our infants children to play on the equipment and in the sand pit under cover. Thank you to our wonderful P&C for all the hard work in raising the large sum of money required to purchase and install this feature. What a great asset it is to our school.

5c Round Up

Our 5c Roundup will begin next week and continue until 31 October. This will be a competition between classes. The class that collects the most five cent coins will win a free movie and popcorn session to be held at school.

Netball Court

During the holidays some ground work has been completed in preparation for a half size netball/volleyball court which is situated in the back playground. This will hopefully be operational next year.

Carnivale Food Day
