TERM 1 WEEK 7 13 MARCH 2014

From the Principal

Every Day Counts!

Ensuring that your child attends school regularly improves their chances of being successful. We are committed to seeing all of our students reach their full potential, and to lead happy, successful adult lives. That's why we strive to ensure that every child attends school every day.

Being just a little bit late each day makes a big difference.

Fact: Students who arrive at school just 10 minutes late each day miss out on a total of 6 months of education.

Fact: Students who miss just one day of school a fortnight (which might not sound like much), miss out on nearly 1.5 years of schooling.

If you have any concerns about your child's attendance at school, please ask us about ways that we can help you get your child to school every day.

Harmony Day (Friday next week)

Friday 21st March we are celebrating Harmony Day with a series of fun activities involving students in every class. Children are invited to come to school dressed in Harmony Day colours – Orange, red or yellow. Why not consider dying your hair in Harmony Day colours, too!

Week 8 Focus Rule

Be Respectful And speak politely

Could you talk to your children about what 'Being Respectful' towards others and speak politely looks like. An example would be; speaking politely towards their peers, staff and family. The bus driver is also someone they can speak politely to. Discuss other people at home that they could speak politely to.

The PBL team thank you for your support at home and reminding your children of the importance in following our core rules.

Be Safe, Be Respectful and Be a Learner

Win a set of 10 iPads for your school.

Keep Collecting!!

Extra tokens will be appearing each day.

School Banking Day Reminder.

Don't forget that **Monday** is School Banking day and students should bring in their weekly deposit.
