## From the Principal

### Sydney Excursion – Next Payment Due

For families of our Stage 3 students who are attending the Sydney excursion in October, please note that a payment of **\$40 is due on or before Thursday 10<sup>th</sup> April**. All families should have received a 'Parent Information Pack' which was sent home with your child earlier this week. The pack contains important information about the excursion, including a *What to Take* list, *Emergency Contact Numbers*, *Payment Details* and a *Health Details Record* which must be returned to school at your earliest convenience.

### School Holidays

A reminder that we break-up for the Easter Holidays at **3.10pm on Friday 11<sup>th</sup> April** and return to school, bright-eyed and bushy-tailed on **Tuesday 29<sup>th</sup> April**.

**PBL Celebration Day**—Our Picture, Pillow, PJ's and Popcorn Day is on Friday last day of term from 11.50—1.50pm. This is for students who have achieved a Bronze ONYA. Students will be given an invitation on Monday if they qualify. So bring your pillow and wear your PJ's next Friday.

### Grass Heads in Years 1 and 2

Students in Mrs Ryan's and Mrs Crowley's Classes have been carrying out controlled 'growing' experiments in Science over the past few weeks. They have been accurately recording their results in their Science books and are desperate to tell you everything that they have learned in class. If you have a child in either of the Year 1/2 Classes, be sure to ask them about all of the exciting things that they have been learning this term.

**Bakers Delight**

**NEW TIME!**  
Easter Hat  
parade

## Learning to Read

Learning to read is one of the most important life skills that we teach our students in school, and our Kinder/ Year 1 students in Mr Conte's class understand just how important it is – that's why they're doing their best to become great readers.

This is an opportune moment to remind parents and carers that it is important to spend time every day sharing a book with your child. Just 15 minutes daily can make a huge difference, especially during those early years. In this way, you'll be helping your child to grow into a confident, happy and successful reader.

## Marble Run

Students in Mr Porter's Class demonstrate the importance of working as a team to complete a construction / technology challenge. Well done, boys.

## Lantern Parade Workshops is on next Wednesday.

There is still a couple of places left if you would like to make a lantern and participate at the parade in Lismore on June 21. Cost is \$12 per student.

## Week 11 Focus Rule

### Be a Learner in Assembly

Things to discuss with your child at home could be:

Walking quietly in/out of the hall, listening to adults instructions keeps us **SAFE**.

Sitting down doing the 5Ls, shows that we are concentrating, listening and being **LEARNERS**.

Standing still, singing our National Anthem and School Song with pride is one way of showing **RESPECT**. Paying attention to people who are speaking is another way of showing **RESPECT**.

The PBL team thank you for your support at home and reminding your children of the importance in following our core rules.

**Be Safe, Be Respectful and Be a Learner**
