Principal News

Road Safety

The NSW Government has provided funding for the placement of school zone signs with flashing lights at all schools to alert motorists of the 40km speed limit required during school drop off and pick up times.

Installing these flashing lights in schools zones has been shown to improve driver awareness of the need to drive at a lower speed to ensure the safety of children and others coming and going from the school area.

Roads and Maritime Services is delivering this safety initiative and plan to install signs outside Lismore Heights Public School on High Street the week beginning Monday 2 March 2015 outside of 40km school zone hours. Lights are installed on pre-existing poles or new poles are put in place if needed.

Partial lane closures may be in place while work is carried out to ensure safety of road users and workers. There will be some noise associated with this work, but every effort will be made to minimise these impacts.

School Photographer

The School Photographer is coming to Lismore Heights PS on Wednesday 4 March. Please ensure that your child is wearing their full school uniform. The group/class photographs look so much nicer when students are all wearing matching uniforms, including white, grey or black socks (no bright colours, please) and black shoes where possible. Thank you for your support in making our school photographs look great for 2015.

School Sports Teams

Term 2 is when most inter-school sports team competitions run. Students will be advised nearer the time of which events the school is participating in, and when trials will be held.

ACKNOWLEDGEMENT OF COUNTRY

We would like to respectfully acknowledge the Elders past and present of the Wiyabal Wiyabal people and other peoples of the Bundjalung Nation.

We acknowledge that they are the first peoples of this land on which our school stands.

Solid Mob

We are lucky enough to have secured a visit from Ballina's Solid Mob next Friday (6 March). They will be working with our Stage 3 students to talk about the importance of making healthy life style choices. Solid Mob's website says: 'We aim to educate, encourage and empower our Indigenous Communities to make healthy life style choices, such as, more physical activity, and eating delicious, nutritious food. At the end of the day, we all know that healthy communities lead to a healthy culture and a healthy country!' Solid Mob will be working with all of the students in Stage 3 because knowing how to make healthy life style choice is important to us all.

Zone Swimming – by Nick Conte

This week a group of 8 students from LHPS competed at the Zone Swimming carnival at the Lismore Memorial Baths. All Students participated to the best of their ability against some very tough competition with competitors coming from schools all over the North Coast. Whilst no one from our school progressed to the next level, they should be commended for the exemplary way in which they represented our school. Well done Aaron, Zack, Joel, Jyoti, Madeline, Olivia, Claudia and Kayla!
