TICKETS *AVAILABLE* *Now!*

Tickets for our school production Grease are on sale now from the school office. Our school performances are always very popular and tickets sell out, so please purchase your tickets early to avoid disappointment. **Prices are \$5 for adults, \$2 for under 18** (no charge for infants on laps). Our production features all students from Kindergarten to Year 6, and we will be performing in the **Whitebrook Theatre, SCU at 6.00pm on Thursday 19 June.**

Not only did Life Education give free sessions in the van to all students this year, we also had the pleasure of a visit from Healthy Harold himself! What a treat for us! Lots of smiles and hugs were shared with students, staff and Harold! Thanks to Life Education for giving us these experiences to remind us how to keep our bodies safe and healthy.

CROSS COUNTRY CARNIVAL

After a period of what seemed like endless rain, the sun came out as students from kindergarten right through to Year 6 competed in this year's school Cross Country Carnival. Up for grabs as always were ribbons for students who placed in their age or ability category, as well as places at this year's Zone Cross Country Carnival. We would like to acknowledge not only the determination and effort displayed by all of our young athletes, but also the positive and supportive demeanour of students who cheered on and provided encouragement to their House mates.

Students who placed at this year's school Cross Country Carnival are

PSSA BASKETBALL

Our PSSA basketball teams hit the court this week, taking on Lismore Public School in some exciting matches. The boys' team played a fantastic game, securing a win and progressing to the next round of the statewide knockout. The victory was built on great teamwork, with Levi having a standout performance, scoring an impressive 24 of the team's 26 points. The girls' team faced a tough challenge against a tall and experienced Lismore Public School side. For most of our players, it was their very first game of basketball, and while LPS proved too strong on the day, our team showed great determination and spirit. Well done to both teams!

LANTERN WORKSHOP

On Monday 19 May, 12 of our students had the wonderful opportunity to visit the Lantern Parade Headquarters to lend a hand in preparation for this much-loved community event. Throughout the day, students worked collaboratively on creating and repairing large lanterns that will feature in the parade, showing fantastic teamwork and creativity. They also produced a large number of blank lanterns, which will soon be decorated by local community groups. It was a valuable and rewarding day for everyone involved, and we're proud to have supported such an important community celebration.

Aboriginal Art Day

Four of our students had the privilege of being involved in a day of creativity and culture at the Aboriginal Community Art Day. Local artist Val Smith spoke about the importance of art and storytelling. With inspiration from one of Val's stories the students created their own spectacular piece of artwork. Congratulations and deadly work - Avannah, Brock, Erin and Winter! Their artwork will be one of a number of school paintings proudly displayed out in the community.

**P&C
NEWS!**

Firstly, a huge shout out to our P&C for operating a Mother's Day Stall for us this year. Feedback from the P&C was all about the delight they got from seeing the student's smiling, happy faces as they chose something special for their mums and carers. Gifts ranged from 50c to \$5. This was a not-for-profit (or 'cost neutral' to use the P&C's phrase) initiative designed to ensure that every child had the opportunity to take home something special for their mum/carers.

Secondly, a reminder that the P&C meet at 6.30pm in Weeks 3 and 7 every term in the school staffroom. Meetings often only last an hour, and all families are invited to attend. This is a wonderful way to have a hand in keeping our school a wonderful place for your child to learn and grow.

THE RIVERS SECONDARY COLLEGE

The heart of secondary education for Lismore

INVITING ALL YEAR 5 STUDENTS TO THE COLLEGE ROADSHOW!!

Teachers and students from each campus are visiting primary schools in our local community to give Year 5 students a taste of high school.

They will deliver a broad range of experiences and activities that reflect what students can expect from The Rivers Secondary College.

All three campuses provide excellence in education by delivering quality, innovative curriculum, student leadership opportunities and inspired teaching and learning.
