Media / Scripture Permission

In a school there are many occasions when students are photographed or videoed and their image, name or voice may appear in publications including the school website, newsletter, newspaper, articles, video conferences, school social media etc.

I do give permission.

I do not give permission.

for my child/children to be photographed and for images and voices to be recorded and appear in any publications, or in video conferences.

PG Rated Educational Programs

A number of educational programs carry a PG certificate and are designed for students of primary school age. These programs are carefully selected to ensure that they are appropriate for children to watch as part of our teaching/learning program.

I do give permission.

I do not give permission.

for my child to participate in learning activities which include the use of PG educational material.

Scripture Lessons.

A 30-minute scripture lesson is provided by authorised representatives of Lismore Minister's Fellowship. Students attend in year groups, so the lessons are age appropriate.

Please indicate your preference by placing a tick in the column you wish your child/children to attend.

I would like my child to attend:

Catholic Scripture

Non-Denominational Scripture

Non-Scripture

These permissions will stay in effect until students leave LHPS or if circumstances change. Please notify the school if changes are required.
